RE: Final Enrollment of Post-Civil War States of the Union

This is to advise that Maryland must abstain from the pending vote to enroll the Post-Civil War States of the Union due to lack of proper citizenry eligible to vote on such matters.

This will be changing in the very near future, but not in time to meet the deadline of September 19, 2020.

When The Maryland Assembly is properly populated, we will call a vote on this matter and officially notify you of the results.

For The Maryland Assembly,
